## **Professional Speciality**

### **Liver transplantation and Hepato-Pancreatico-Biliary (HPB) surgery**

- **Member of liver transplantation team since May 2005**
- **consultant of liver transplantation since November 2007 up till now**
- **Our team had an experience of more than 1000 living donor liver transplantation (LDLT)**

## **Jobs**

**Assistant Professor:(current job)**

In Ain Shams Center for Organ Transplantation (ASCOT)

From: March 2013 up till now

In Egypt Air hospital

From: March 2013 up till now

**Lecturer:**

In Ain Shams Center for Organ Transplantation (ASCOT)

**From:** February 2008 to February 2013

In Egypt Air hospital

**From:** February 2008 to February 2013

In Wady Elneel hospital

**From:** February 2008 to October 2012

**Assistant lecturer**

In Ain Shams Center for Organ Transplantation (ASCOT)

**From:** December 2007(start of the unit) **To:** January 2008

In Egypt Air hospital

**From:** February 2006(start of the unit) **To:** January 2008

In Wady Elneel hospital

**From:** May 2005 **To:** January 2008

## **National scientific activity**

- Share in development of HPB and liver transplantation unit in Assuit University 2013
- Share in development of HPB and liver transplantation unit in Alexandria University 2014
- Establishment of HPB unit as a separate unit in department of general surgery Ain Shams University 2015

## **International publication**

- The use of terlipressin during living donor liver transplantation: Effects on systemic and splanchnic hemodynamics and renal function. Crit Care Med 2011 Vol. 39, No. 6
- Micro RNA expression profile in association with chronic HCV genotype 4 infected patients. Journal of clinical virology, 2015
- Safety, efficacy and tolerability of Sofosbuvir and Ribavirin in management of recurrent hepatitis C virus genotype 4 after living donor liver transplantation in Egypt:what have we learned so far?. Hepatitis Monthly, 2016
- MELD Vs CHILD in predicting post-operative mortality in cirrhotic liver.2016

## **National publication**

- PTH as an early detector of hypoparathyroidism post-thyroidectomy.
- Are donor Biliary Variations a Risk for Complications in Adult-to-Adult Living Donor Liver Transplantation?
- Impact of Portal Vein Thrombosis on A-A LDLT:8 years experience

- **Pre-transplant Prediction of Micro-Vascular Invasion (MVI) in HCC patients.**
- **Outcome Of Surgical Management Of Initially Irresectable Or Complicated-Multiple Colorectal Liver Metastases**
- **MELD and Living Donor Liver Transplantation outcome**
- **Laparoscopic Vs open non-anatomical hepatectomy for HCC in cirrhotic liver**

## **Supervision on postgraduate research**

### **M.D degree**

- **PTH as an early detector of hypoparathyroidism post-thyroidectomy. (2010)**
- **Donor biliary Variations and Risk for Complications in Adult-to-Adult Living Donor Liver Transplantation? (2011)**
- **Recipient Outcomes in Adult Living liver transplantation (2015)**
- **Resection Versus Living Donor Liver Transplantation In Management Of Early Hepatocellular Cacinoma**

### **Master degree**

- **Stem cell therapy and it's possible application in cardiac surgery (2008)**
- **Role of oxygen therapy (hyperbaric oxygen and Ozone therapy) in management of diabetic foot (2008)**
- **Recent trends in the management of acute pancreatitis (2009)**
- **Recent trends in the diagnosis and management of neuroendocrine tumors (2009)**
- **Recent trends in the management of HepatoCellular Carcinoma (2009)**
- **Recent trends in the management of pancreatic cysts (2010)**

- **Stem cell in liver disease (2011)**
- **Antibiotic prophylaxis in surgery (2011)**
- **Management of breast ptosis (2011)**
- **New trends in the treatment of cancer rectum (2011)**
- **Advantages and risk of oncoplastic therapy in the treatment of breast cancer (2012)**
- **Recent and Different Modalities in Reconstruction of Scalp (Anterior Hair Line) (2012)**
- **Management of polytraumatized patients (2013)**
- **Recent advances in management of hilar cholangiocarcinoma (2015)**
- **Liver transplantation for Non HCC malignancy (4/2016)**
